

## WHAT TO EXPECT FROM YOUR ENTERTAINMENT SERVICE PROFESSIONAL

- Our artists aim to arrive 15 minutes before the scheduled start time. If we are running behind, the event contact person will be notified and additional time will be added to the end of the event to compensate.
- Payment can be made prior to the event with a credit or debit card if requested. Payment the day of the event should be received at the start of the event in the form of cash or check payable to Jewelz Entertainment Services
- Our artists provide all materials needed to get the job done! That includes bringing our own table and chairs. On that note, our equipment can get heavy! Please arrange a close area for the artist to unload their equipment.
- It can get hot, hot, hot in Florida! Please make sure your artist has a shady spot to perform if your event is outdoors. Additionally, shelter from inclement weather is also the responsibility of the customer unless we have prearranged to bring our own canopy.
- Events that will last longer than 4 hours will require staggered 15 minute break for all artists.
- If there is line of participants near the end of the event, the artist will "close the line" (no new guests may join) unless directed otherwise. Each participant will receive either a ticket or a mark on their hand to indicate they are eligible to receive services. It is the responsibility of the client to help facilitate a smooth transition for the end of services.
- If an artist's working time goes over 15 minutes or more, she will stop working and speak with the event contact person to either seek help ending the line or negotiate addition service time. (\$40 per half hour or \$75 for additional hours)
- We do accept tips (and they are very appreciated!) but they are not expected. We are grateful to be chosen to spend time with your guests and provide our services for the previously negotiated rate.
- Artists hold the right to refuse to paint or twist designs that are provocative or could lead to uncomfortable social situations.
- Life happens! While we do not charge a cancellation fee, we do ask that you call to cancel services as soon as possible to give us time to fill the opening. We also reserve the right to not schedule clients who habitually cancel.
